STAT

FBIS/Okinawa Bureau

STAT

Dear 

I have received your letter of 19 July and will ensure that it is included in your official records. Your separation has been approved by the Director, FBIS, who is the final authority. There is no further appeal.

STAT

I am sorry that your performance during the probationary period did not improve to an acceptable level. I have reviewed the record and I am satisfied that you were given every consideration and opportunity to perform. In addition I have discussed this situation with  who is now assigned at Headquarters. While he commends your attitude and hard work, he also feels that separation from FBIS is the best course.

Best wishes for the future.

STAT

Sincerely,

Deputy Director
